The completion of this yearbook has involved countless hours of hard work by many people. Our dedicated Yearbook Moderator, Mr. Thomas Egan, constantly gave all of the Yearbook Staff members his patient guidance and support throughout the year. Mrs. Mary Sutter typed out the entire Senior Directory. Brother Carlos Griego, O.P. photographed many of the pictures found in this book and helped out the Yearbook Staff in many other ways. The Fenwick Mothers' Club donated a new electric typewriter. Mr. Richard Neutzler provided information for the dedication article, while Senior Tim Woods designed the book's cover and division pages. Staff members have worked many hours after school and many hours on Sunday mornings to complete the book. I thank all of these people and everyone else who helped the Yearbook Staff this year. I hope that this yearbook reflects the standard of excellence upon which Fenwick High School is built.

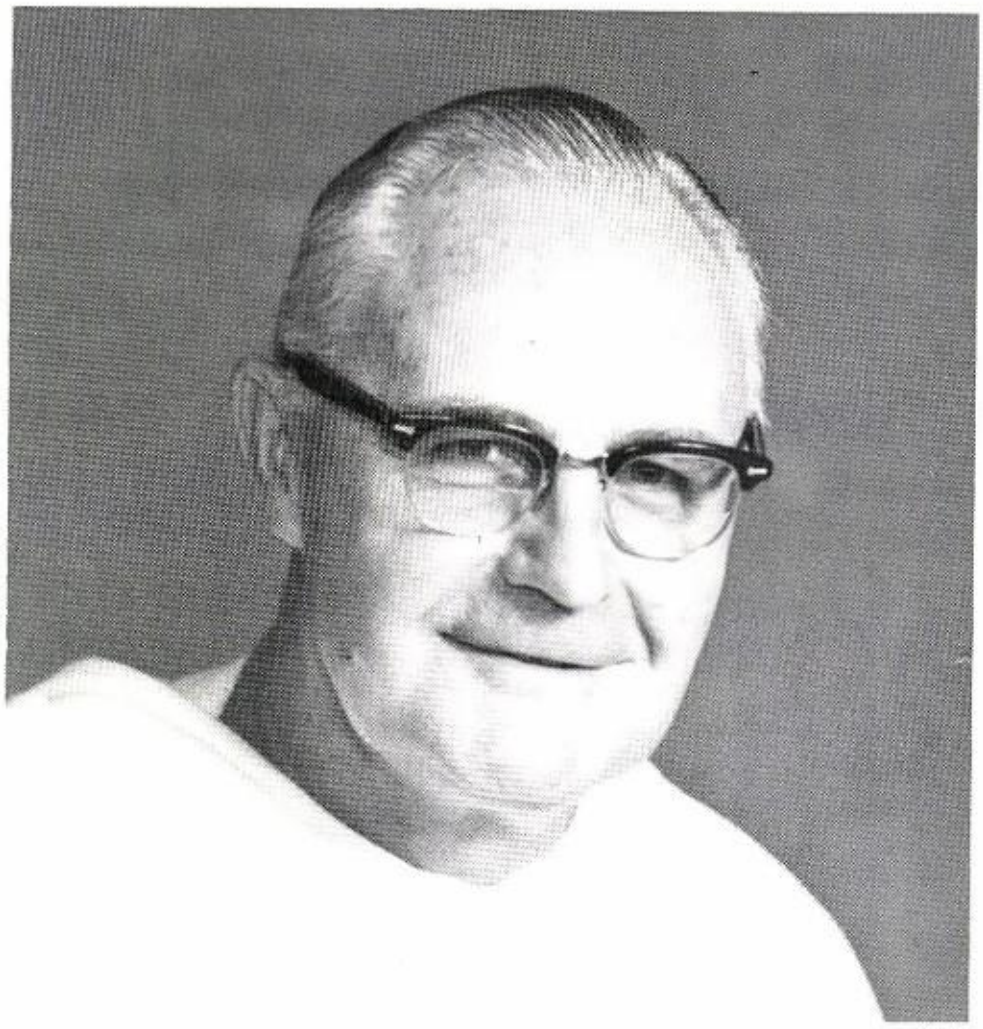
Dedication



FATHER WILLIAM J. BERNACKI, O.P.

For over 30 years, Father William J. Bernacki, O.P. has dedicated much of his time, talent, and energy in service to the Dominican Order and to Fenwick High School.

Father was born in Chicago on December 18, 1924. He attended St. Tarcissus Grammar School and Taft High School. After serving in the United States Navy from 1943 to 1946, Father attended Loyola University. He graduated from Loyola in 1949 with a B.S. degree in Commerce.

In August of 1950, Father's service to the Dominican Order began when he entered the Order of Preachers. He was ordained to the priesthood on June 16, 1956. After completing his theological studies, Father worked with missionaries in Campti, Louisiana and then worked as a parish assistant at St. Joseph's Church in Ponchatoula, Louisiana.

In 1959, Father began his service to Fenwick High School. He taught classes in theology, business law, economic geography, and civics. He also served as Fathers Club Moderator, Golf Coach, and School Business Manager. After earning a Masters degree in counseling from Loyola University, Father worked as a Fenwick Counselor for eleven years. He also helped to formulate Fenwick's first lay board, served on the board's finance and executive committee, and served as Vice-Chairman of the Fenwick Corporation. Father was Prior of St. Dominic's Priory in Oak Park when Fenwick's Dominicans moved from the school priory to the Dominican Priory in River Forest. Father also worked as a parish assistant at St. Vincent Ferrer Parish in River Forest for four years.

In 1979, Father Bernacki was named Fenwick's eleventh principal. His success as principal is apparent. Under Father's leardership, new fund raising programs have begun. These programs have helped finance various school improvement projects. The Fenwick Walkathon, now a yearly tradition, began under Father's leadership in 1981. The first Walkathon raised enough money to completely replace the old gymnasium floor. Subsequent Walkathons have raised money for other school improvements, including new laboratory and sports equipment and a new physics laboratory. Plans are now underway for the construction of new biology and chemistry laboratories. Perhaps the culmination of Father Bernacki's many years of hard work came in 1984, when the U.S. Department of Education named Fenwick High School one of the top 60 private high schools in the United States.

Father Bernacki, for all of your generous service to our school and for all the success our school has enjoyed under your leadership, the Yearbook Staff proudly dedicates this yearbook to you. We wish you success and fulfillment in your next ministry.

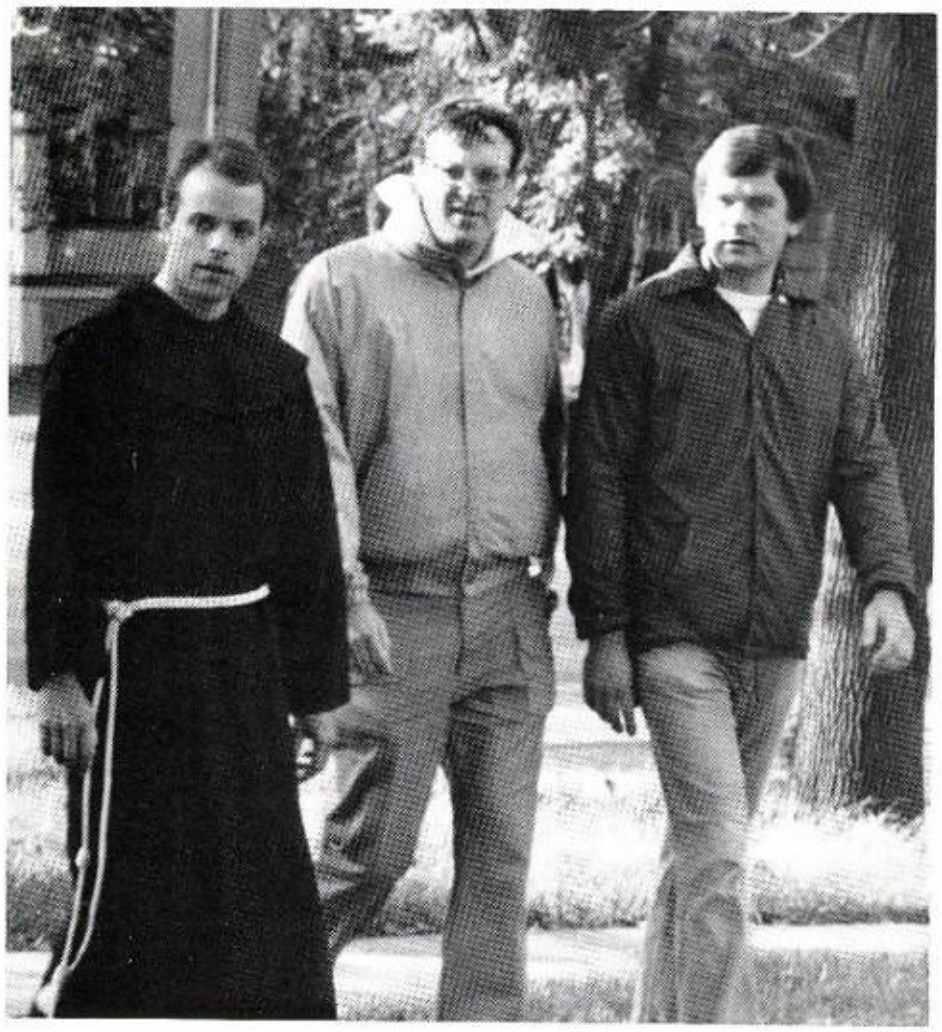
Walk-A-Thon



This year, as in every other year the Mother's Club sponsored it, the WALK-A-THON was a huge success. The activity involves everyone in the school and allows the students to keep the costs of tuition down by getting people to "sponsor" them as they walk. Cash prizes were awarded to the most successful fund-raisers, and all the students, parents, and teachers had a day filled with fun and community spirit.

High School Juniors across the country take the Preliminary Scholastic Aptitude Test/ National Merit Scholarship Qualifying Test (PSAT/NMSQT). Then, 35,000 students are commended for their excellent performance on the PSAT/NMSQT. Each commended student receives a Letter of Commendation through his/her high school principal. An even more select group of 15,000 students are named Semifinalists. Semifinalists complete an application containing biographical, academic, and extracurricular information. Finalists are then chosen from the Semifinalists on the basis of their applications, high school academic record, their performances on the SAT and ACT tests which are given in the spring of their junior year, and several other factors.

This year, Fenwick has produced 11 Commended students and 6 Semifinalists from the members of its Senior class. These awards are not only a great honor to the student and his family, but to our school as well. Fenwick congratulates these students and wishes them all future success.

Each year, a selection process takes place inducting some students into the Fenwick Chapter of the National Honor Society. To qualify for this prestigious group, a student must demonstrate scholarship, leadership, character, and service. Students in the top quarter of the class are eligible. Then they must be recommended by three teachers, and finally voted upon by the faculty as a whole. These students represent what is best about our students at Fenwick.

The Lawless Awards are given each year to some of the incoming freshmen. Named in honor of Anthony R. Lawless, longtime football coach and Athletic Director, the awards are given to students for several reasons: academic potential, athletic ability, musical talent, or a combination of these qualities.

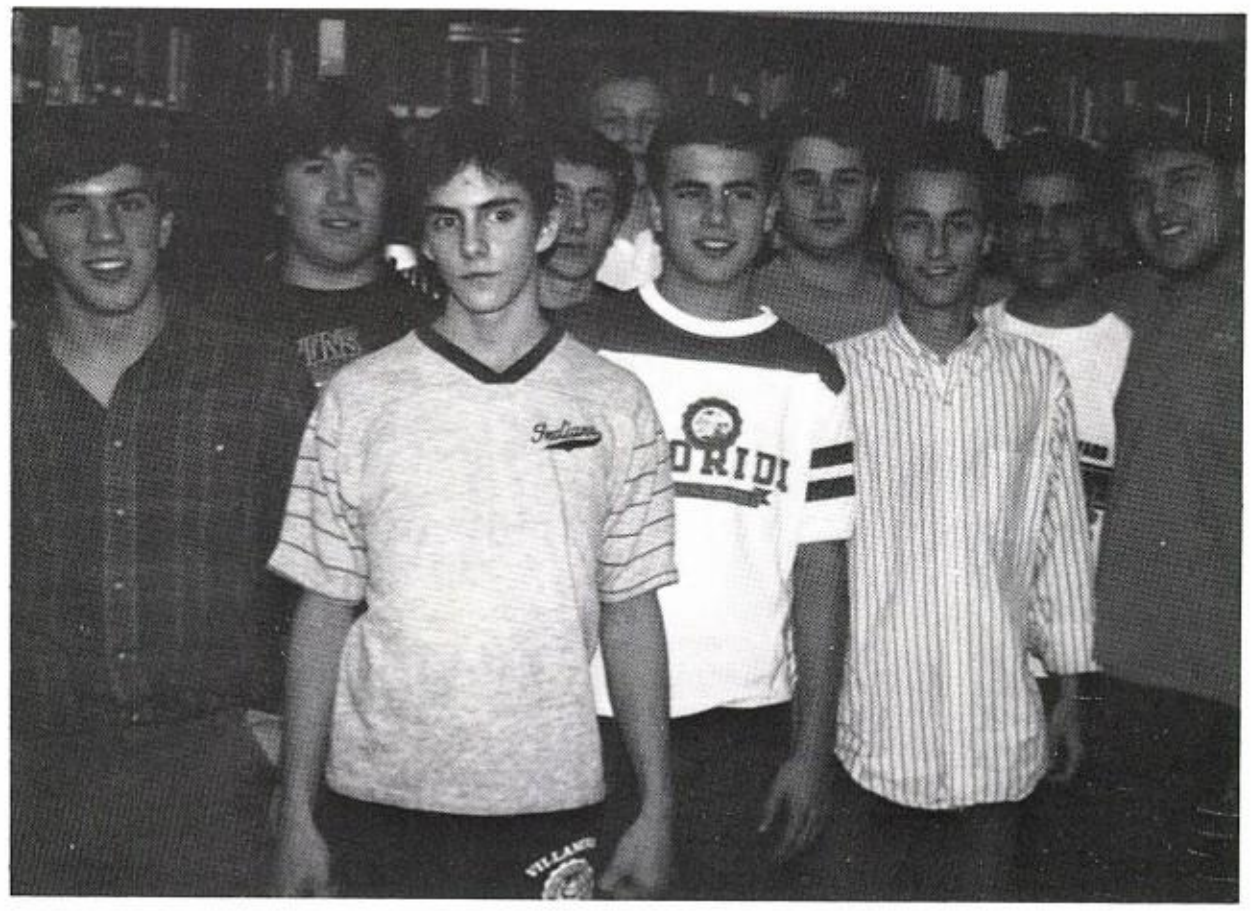
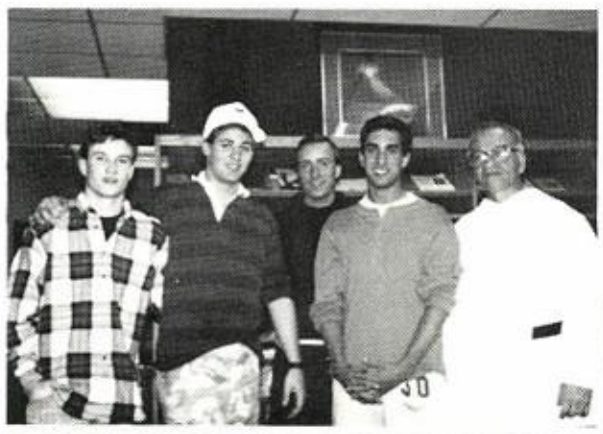
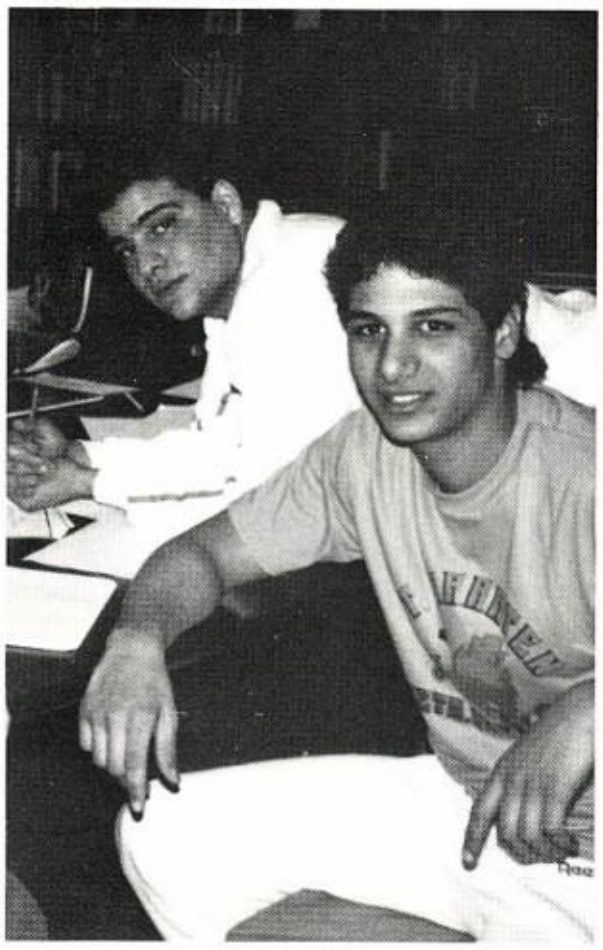
KAIROS

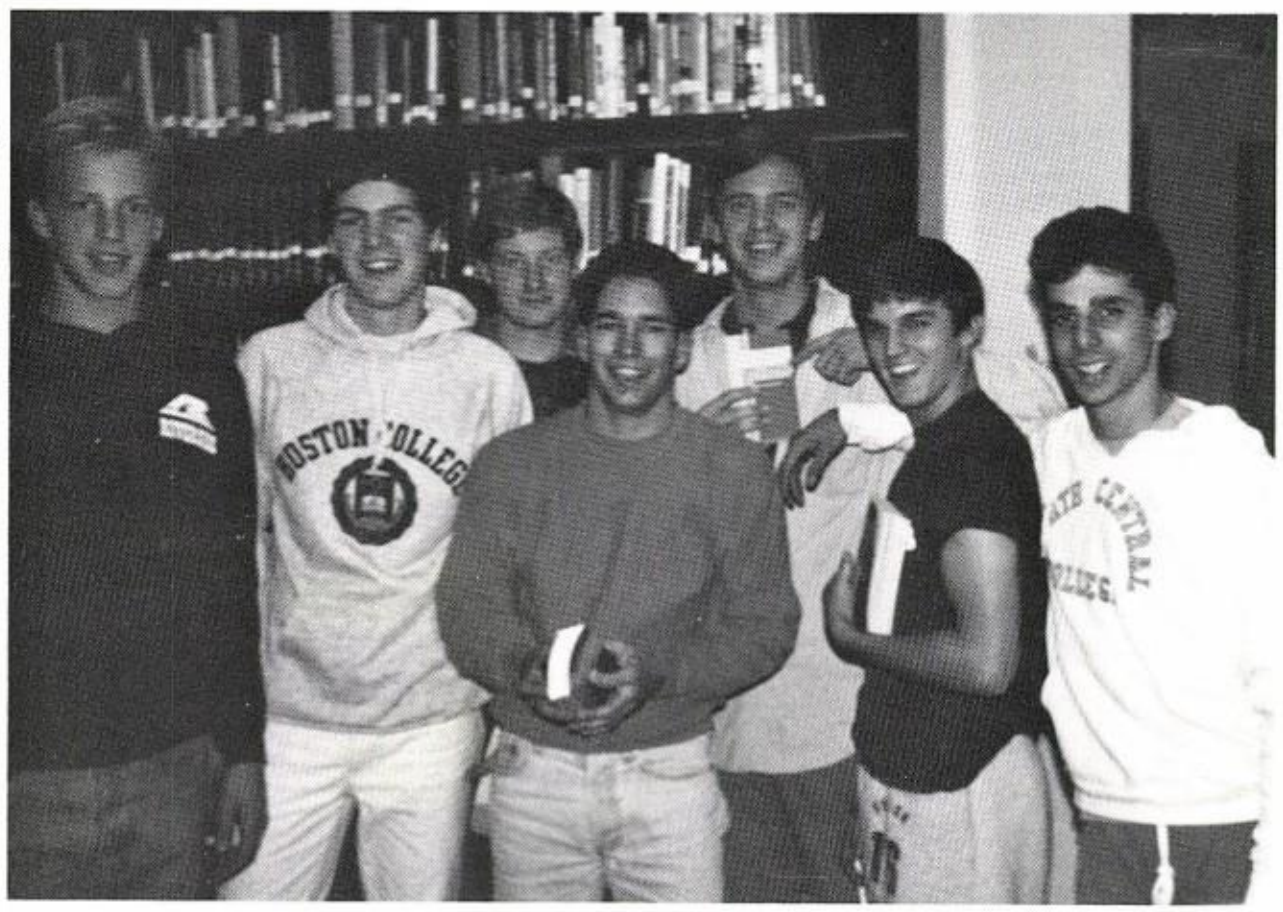
The KAIROS retreat, which is offered to juniors and seniors as an option this year, has grown in popularity and importance since its beginning a year ago. These retreats are an intense, three-day long opportunity for the students to think about themselves and their relationshiop with God and others. Held at the Dominican Priory, the retreats are staffed by members of the Fenwick faculty and student assistants who help things run smoothly. These retreat experiences have produced such a favorable response among students and teachers that a KAIROS retreat will become a requirement as of next year.



One group of students displays the casual yet serious tone of the KAIROS retreat.







Students relax for a moment while doing some retreat research.

Forensics

The Friar Forensics Team continued the Fenwick tradition of excellence in 1986-87. The team enjoyed success in three major areas of speech competition: Individual Events, Student Congress, and Lincoln-Douglas Debate. Senior Carl Bergetz led the Friars in Individual Events, placing third in the Chicago Catholic League in Original Oratory, for his second straight trip to national competition. In Lincoln-Douglas debate, senior Anil D'Souza is currently ranked third in the Catholic League. Fenwick, however, has enjoyed its most success in Student Congress, where the Friars possess one of the best teams in the League. Led by seniors Rob Spartz, John Stompor, and Preston Jones, along with sophomore George Spaniak, the Friars are considered to be one of the best teams in the league. Thanks to the excellent coaching of Mr. Andrew Arellano, Miss Nancy Greco, and Mr. Greg Pauley, the Friars have enjoyed success this year. This coaching, along with underclassmen prospects Roy Pura, John Schleiter, George Spaniak, and Ed Simokitis, guarantee an even more prosperous future.

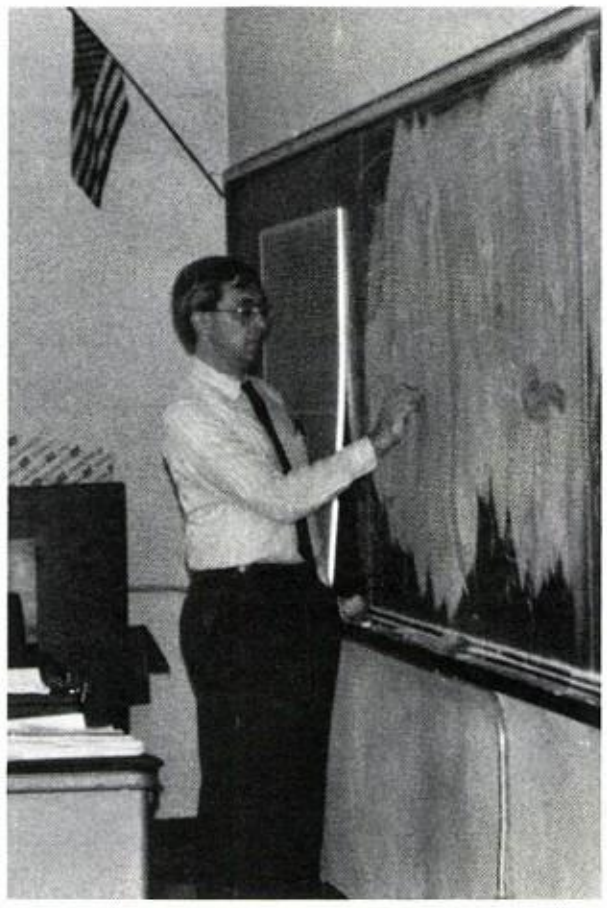
The Math Competition Club provides interested Fenwick students with an opportunity to compete in various math contests throughout the year. Guided by Mr. Roger Finnell, chairman of the mathematics department, the club sponsors Illinois Mathematics League, Atlantic-Pacific, and Calculus League, as well as various other contests throughout the year. Each year, several students from each grade level are chosen to represent Fenwick at the ICCTM State Math Contest. The Fenwick State Math Team, which finished among the top 15 teams in Illinois last year, is hoping for even greater success this year.



J.E.T.S.

Each year, the Junior Engineering Technical Society (J.E.T.S.) sponsors competitive examinations in Biology, Chemistry, Computers, English, Graphics, Mathematics, and Physics. Each student competes in two of the seven subject areas, and the two highest scores in each area form the school's team score. Hundreds of high schools across the country participate in the J.E.T.S. contests. Under the leadership of Mr. Ramzi Farran, Fenwick captured first place in its district, defeating Oak Park River Forest, Holy Cross, and Mother Guerin High Schools. Going into regional competition, the Fenwick J.E.T.S. team was ranked among the top teams in the country.

Last year's chess team finished third in the state. This year, although only five members of that team are returning, the Chess Friars hope to perform well once again. New talent provided by sophomore, Fred Fortman, and senior, Bob Schulenberg, along with the skills of returning team members Brian Odeen, Stephen Reedy, Scott Rozmus, John Aviles, and Jim Skalla, should allow the team to achieve great success at the State championship in April. The chess team is chosen from the members of the chess club which meets three times a week. The chess club allows students to improve their skills and learn about the game itself.

Friar Mentors, now in their fifth year at Fenwick, provide a chance for students to get tutoring in subjects where they need a little extra help. The tutoring program consists of students at all grade levels as both learners and tutors. Directed by moderators Mary Barr and Mary Sjostrum, the program also gave students the opportunity to become more acquainted with each other.

Spanish Club

This year, junior students of the Spanish Club created authentic Mexican pinatas out of simple newspaper and paste. Original designs ranged from the body of a bulldog to a scaled down replica of the Space Shuttle. All the pinatas were put on display in the annual Language Fair and helped contribute to its huge success.

This year's German Club remained the strongest club. Led by President Mike Hollinger and Vice-President Erick Mann, the German Club initiated intramural football games with all the language clubs. Only the French Club accepted the challenge, and they complained that they had to quit after they finally gained the lead. Although this year's float was a mere step above a disaster, the builders enjoyed creating it. After all, why work on a weekend?

French Club

The 1986-87 school year proved to be a banner year for Fenwick's French Club. Headed by President Kevin Crotty, Vice-President Micheal Diver, Secretary Paul Boyko, and Treasurer Darren Kowal, the Club defeated the German and Spanish Clubs at football during their yearly face-off in the fall. These victories broke a losing streak of who knows how long! After a slow and shaky start at Kevin Crotty's place, les garcons francais managed to build a French float that captured a respectable fourth place at the annual float contest during Homecoming Week. These achievements have psyched the Club for a better and stronger year l'annee prochaine!

Band and Color Guard

The Fenwick Band, under the leadership of director Mr. Victor Scimeca, has proven worthy of applause after their outstanding performance at Banua '87. Playing mostly Jazz, they made the audience explode with cheers and whistles. Culminating with the powerful drum solo by Richard Montalbano, the performance showed the true talent of the Fenwick Band.

Banua '87

Once again, the Fenwick Blackfriars Guild produced an enjoyable comedy in their annual Banua presentation. With music by the Fenwick Jazz Band, Lee Sobczack's band, John Steinhagen, and others, the play gave the audience great listening pleasure.

The audience laughed hysterically throughout the comic skits written mostly by John Chrastka. Senior Robert Spartz brilliantly imitated the fiery Mr. Donald Heldmann. To sum it up, the Banua '87 crew left the audience with a bellyache from the laughter.

Stage Crew

Much of what is seen in the plays that the Blackfriars Guild creates is the result of the hard work of the actors and actresses. But not many people realize all the effort that the stage crew must give to ensure the successful outcome of the performance. While the stars take all the credit, these humble servants labor strenuously behind stage, receiving no appreciation. At this time it is appropriate for us to applaude their noble effort.

Fenwick Faculty

This year, Fenwick participated in the annual POP QUIZ sponsored by radio station WGN and disc jockey Bob Collins. With Mr. Finnell, Mr. Borsch, and Mr. Quinn representing our school, we won the first round on November 15 and went on to the finals on the day before Thanksgiving. With Governor Thompson asking questions ranging from Beatles music to the Korean War, our team eventually came in a strong second place against Hoffman Estates and the D. H. Miller School. About forty of our students went with the teachers to the WGN auditorium to cheer them on.

FRIARS IN PLAYOFFS

This year our Friars provided us with some exciting moments and a great season overall. With a rallying cry of "The Black and White is Back" our new head coach, Mr. Dick Ambrosino, and captains Carl Mazzone, Kevin Sampey, Vince Ambrosino, and Brian Murphy led the team to a strong 6-4 season and a second round place in the state playoffs. Our team showed real character as they bounced back from a heartbreaking defeat by Oak Park in their first game to win their next four games in a row. The winning momentum continued after a minor setback by Gordon Tech as our Friars won their first playoff game against top ranked Simeon. Our final game was a proud moment even though we lost to a strong Mount Carmel team. Spirits are high as we expect an even better year in '87.

The 1986 Cross Country team enjoyed an outstanding year. The Varsity compiled an outstanding record of 163-32 with first place finishes in the Holy Cross, Fenton, Argo, and Maine South meets. This record impressed the Sun Times which ranked them 10th in state at one point. The team finished first in the Catholic League North Section, but were edged out for the Catholic league Championship, finishing second. Then the team entered the state playoffs strongly with a 1st place finish in their regional and a third place finish in their sectional, qualifying them for the state meet where they finished 25th. Several Fenwick runners achieved individual recognition. David Rill, for the second year in a row, was named All State. Scott Hume received All Regional status.

Golf

This year's golf team had one of its best seasons, playing to a record of 10-2 in meet competition. Seniors Mike Ascher, Bill Baxa, Kevin Brunory, and Cary Schulz and Juniors Sean Hanley, Frank Ignatius, Mark Sutter, and Matt Wood played under Coach Lockie and provided a strong team every match. Finally, the Catholic League Tournament rolled around, and the Friars finished third, behind Loyola, who eventually won the State Championship, and St. Ignatius. At Regionals, the Friars shot well but did not advance because of an unfortunate disqualification. Matt Wood and Mark Sutter each advanced individually with Matt Wood qualifying to go downstate. With a firm foundation for next year, Coach Lockie is looking forward to another strong season in 1988.

Under the guidance of second year head coach John Quinn, and through the dedication of his players, the Fenwick basketball program has reemerged as a power in the Catholic League. Assistant Varsity Coach Jim Martin, Sophomore Coach Ron Durante, and Freshman Coach Dave Petrosky round out the coaching staff which is eager to teach a very talented group of players. The 1986-87 season brought back a strong nucleus of players; seniors Mike Gad, Mike Diver, Carl Bridges, and Kevin Schiewe formed the backbone of excellence.

The best way to describe this year's hockey season is to say that it was an up and down season. Many of the players would agree that winning the Village Championship over Oak Park-River Forest was the greatest accomplishment of the season. In that game, Senior Captain Bob Waunn earned the Most Valuable Player award for Fenwick. Although the Friars fought through a somewhat disappointing regular season, other players might say that earning a spot in the Catholic League play-offs (which the Friars have not done for eleven years) was the most important accomplishment. Yet, some believe that the State play-offs are just as important.

After last year's one goal loss in the quarterfinals of the Class AA State play-offs, the Friars were determined to return this year. Not only did the Friars return, they also received a bye in the first round. With the loss of six seniors at the end of the '86-'87 season, next year's team will rely heavily on quick skating, strong defense, and hard hitting. The Friars are determined to finish in the top half of the Catholic League and go on to the State Play-offs for the third consecutive year.

Fifth In State

The 1986-1987 swimming team once again ranked supreme as the Catholic League champions, sectional champions, and 5th Place State Team.

First team all-state members and All-Americans Kris Alshabkhoun, Chris Brundage, Phil Nauman, and Curt Streder inspired the team to victory. Other outstanding members of this year's varsity team included: Keven Zielinski, Joe Kuliser, Cary Schulz, Walter Kelly, Bob Montalbano, and Jim "Stitch" Wiaduck.

Next year will undoubtedly be as dominating as this year's team. Even though the Friars will graduate an unusually strong senior squad, the base of excellence will continually be replenished by the underclassmen.

In addition, the team would like to extend its gratitude to first-year Head Coach James Caliendo and veteran Assistant Coach Ralph Duke for their perseverence and dedication.

Mr. Heldmann:

Please excuse Brian's tardiness this morning. He was suffering from a severe, acute hyperventilation syndrome aggravated by a chronic reversed parastalysis with symptomotology indicating deteriorating Senioritis. It is not terminal - so I willingly submit him to your care. Peace.

Sincerely,

Kim Kincaid
